RWP-019SS
17-4 Stainless Steel 0.375"

RWP-018
7075 Aluminum 0.50"

Maximize efficiency and precision on four and five-axis CNC machines with Raptor Dovetail Fixtures. Innovative fixtures provide rigid clamping while exposing five faces of the workpiece, allowing completion of most features in a single operation.

RWP-017SS
17-4 Stainless Steel 0.50"

RWP-002SS
17-4 Stainless Steel 0.50"

RWP-002
7075 Aluminum 0.75"

Fixture weight: 4lbs

RWP-002S
17-4 Stainless Steel 0.75"

Fixture weight: 9 lbs

Key Benefits

- **Minimal Material Waste:** Requires only 1/8" of material for secure clamping.
- **No Distortion:** Spring-loaded clamps ensure a firm, reliable hold.
- **Simplified Workflow:** All parts can be prepared with a single dovetail and the same fixture can be used repeatedly.
